

Lemonade on the Lawn Instructions

Thank You for Volunteering for Lemonade on the Lawn. We appreciate your help and hope that you enjoy the experience. Please follow the procedure below. Hosts are to provide a small bag of ice.

- Arrive at 9:45 to make the lemonade.
- There is a drink cooler in the sacristy.
- There is lemonade mix in the sacristy. (Make 20-30 servings)
- Mix ice into lemonade.
- Place the cooler, cups (also in the sacristy), and small waste basket on the bench in front of the church steps. If it is raining, set up the lemonade in the round room.

After lemonade has been served:

- Rinse out the cooler.
- Put the trash in the dumpster. (The key to dumpster is hanging on the magnetic board in the sacristy.)
